PREFACE

"**Education Statistics**" is published in the spring of each year by the Department of Education. It provides statistical information on all aspects of primary, elementary, intermediate and secondary education.

The report contains information which is most frequently requested. This year, several new tables have been added and a number of areas have been expanded. More detailed information is available upon request.

Please note that enrolment has been recorded as of the last school day in September. Unless otherwise cited, all information has been provided by the Department of Education.

Please direct any inquiries or suggestions regarding this report to:
